

SUPPLEMENTAL DECLARATION AND POWER OF ATTORNEY  
FOR PATENT APPLICATION

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled DNA SEQUENCES, RECOMBINANT DNA MOLECULES, AND PROCESSES FOR PRODUCING HUMAN INTERFERON-LIKE POLYPEPTIDES the specification of which was filed on January 7, 1981 as Application Serial No. 223,108 and was amended on December 29, 1982.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I do not know and do not believe that the invention was ever patented or described in any printed publication in any country before my invention thereof or more than one year prior to this application.

I do not know and do not believe that the invention was in public use or on sale in the United States of America more than one year prior to this application.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

I hereby claim foreign priority benefits under Title 35, United States Code, § 119 of the foreign applications for patents listed below:

European patent application 80300079.3, filed January 8, 1980;  
European patent application 80301100.6, filed April 3, 1980; and  
United Kingdom patent application 8031737, filed October 2, 1980.

I have also identified below any foreign application for patent or inventor's certificate having a filing date before that of any application on which priority is claimed:

European patent application 80300079.3, filed January 8, 1980;  
European patent application 80301100.6, filed April 3, 1980;
